PLAN

Organizing the Voluntary Blood Donation Program - Phase I, 2024

I. BASIS FOR DEVELOPING THE PLAN

- Based on Plan No. 25/KH-BCĐHMTNH dated 08/12/2023 of the Steering Committee for Voluntary Blood Donation Mobilization on implementing the "Voluntary Blood Donation Campaign for the Giap Thin Lunar New Year and in response to the Spring Festival of Red" in 2024;
- Implementing the youth union's work program and youth movement for the academic year 2023 – 2024;
- The Executive Committee of the School Youth Union develops a plan for the Voluntary Blood Donation program - Phase 1, 2023, in response to the "Spring Festival of Red 2024" activity, with specific content as follows:

II. PURPOSE, SIGNIFICANCE

- In response to the 2024 voluntary blood donation movement launched by the Thai Binh Provincial Steering Committee for Voluntary Blood Donation.
- Widely disseminate information to encourage a large number of officials, lecturers, staff, union members, and youth who are healthy enough to actively participate in voluntary blood donation, contributing to building a beautiful culture of blood donation to save lives at the beginning of spring.
- Organize a solemn, economical, and highly effective event in propaganda and mobilization for officials, lecturers, staff, and eager students to participate in blood donation to save lives.

III. PROGRAM CONTENT

The Youth Union of Thai Binh College of Medicine, in coordination with the Thai Binh Provincial Red Cross Society and the Hematology Department of Thai Binh Provincial General Hospital, organizes and receives voluntary blood donations as follows:

1. **Location:** Auditorium on the 7th floor of Thai Binh College of Medicine
2. **Time:** From 7:30 AM to 11:00 AM, Thursday, February 22, 2024.

3. Components:

- Representatives of Thai Binh Provincial Red Cross organization and Hematology Department – Provincial General Hospital.
- Youth Union of Thai Binh Medical College
- Officials, workers, public employees, and all members in branches directly under the School Youth Union.

4. Units of blood received: 150 units of blood.

IV. IMPLEMENTATION ORGANIZATION

1. School Youth Union

- The School Youth Union develops and implements a propaganda plan for all branches and staff within the school, receives blood donation lists, and contacts the blood donation organizing committee of the Thai Binh Provincial Red Cross.
- The Steering Committee of the Voluntary Blood Donation Club, the Voluntary Youth Club assigns members to prepare the venue, service conditions for the blood donation program, and guides and assists blood donors.
- Assign members of the School Youth Union Executive Committee to support the organization of voluntary blood donation activities.

2. Departments

- Administrative Department coordinates security work and prepares facilities for the organization of humanitarian blood donation;
- Department of Training Management - Student Affairs and academic advisors, homeroom teachers, lecturers from Departments/Divisions coordinate in propaganda, mobilization, and arranging suitable study schedules for participating union members.

This is the plan to organize the "Red Spring Festival" program by the School Youth Union Executive Committee. We respectfully request the Party Committee and the Board of Directors to review and approve so that the program can be implemented on schedule./.
