

PLAN FOR ENTRANCE HEALTH EXAMINATION FOR STUDENTS, ACADEMIC YEAR 2023 - 2024

Pursuant to Circular No. 32/2021/TT-BYT dated December 31, 2021, of the Ministry of Health, stipulating school health work in higher education and vocational education institutions. The school hereby issues the plan for entrance health examinations for new students as follows:

Time: Specific schedule attached for each class

Location: Thai Binh College of Medicine General Hospital
No. 290 Phan Ba Vanh, Thai Binh City, Thai Binh Province.

Health Examination Fee:

1. The prescribed examination fee is 120,000 VND/ 1 examination/ 1 student.
2. In cases where students request additional in-depth specialized procedures beyond the examination list, additional fees must be paid for the prescribed services.
3. The health examination fee shall be collected by the class leader and submitted to the Accounting Department of Thai Binh College of Medicine Clinic no later than 05 days after the examination schedule.

Note: When undergoing a health examination, each student must bring 02 4x6 photos and their admission documents.

The entrance health examination for students is a requirement of the School and a condition for students to be considered for transfer or exemption from physical education and national defense education courses. Therefore, the School requests homeroom teachers and class committees to inform students and ensure strict compliance.

Recipients:

- Departments, Faculties;
- Homeroom Teachers, Class Committees;
